

径向渐变

Radial Gradients

从起点到终点从内到外进行圆形渐变

默认均匀分布

```
background:-webkit-radial-gradient (red,blue);
```

```
background:-moz-radial-gradient (red,blue);
```

```
background:-o-radial-gradient (red,blue);
```

```
background:radial-gradient (red,blue);
```

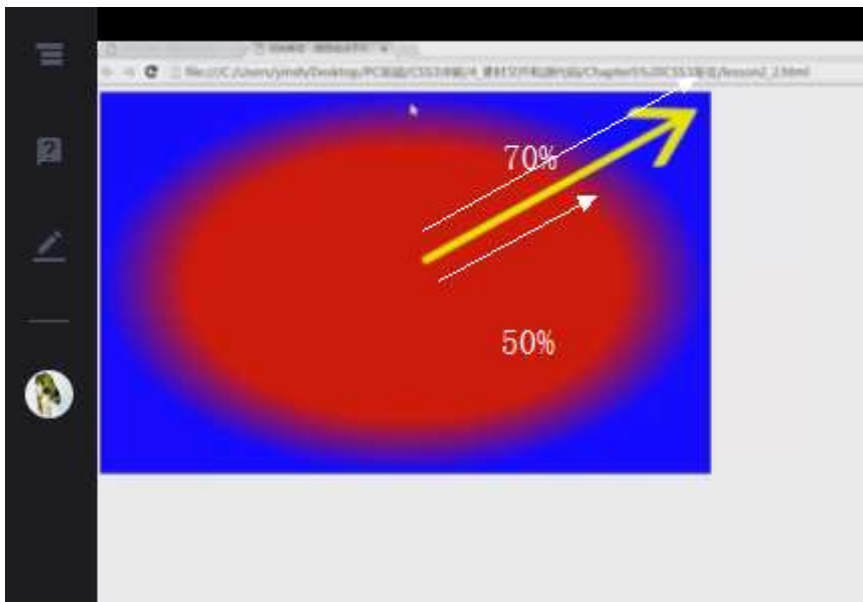

不均匀分布

```
background:-webkit-radial-gradient (red 50%,blue 70%);
```

```
background:-moz-radial-gradient (red 50%,blue 70%);
```

```
background:-o-radial-gradient (red 50%,blue 70%);
```

```
background:radial-gradient (red 50%,blue 70%);
```

设置形状

```
background:-webkit-radial-gradient (circle,red,blue);
```

```
background:-moz-radial-gradient(circle,red,blue);
```

```
background:-o-radial-gradient(circle,red,blue);
```

```
background:radial-gradient(circle, red,blue);
```

尺寸大小

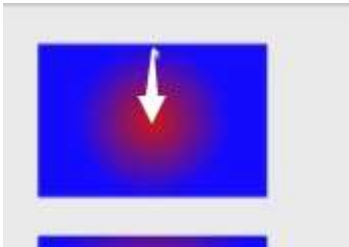

最近边

```
background:-webkit-radial-gradient(closest-side circle,red,blue);
```

```
background:-moz-radial-gradient(closest-side circle,red,blue);
```

```
background:-o-radial-gradient(closest-side circle,red,blue);
```

```
background:radial-gradient(closest-side circle, red,blue);
```

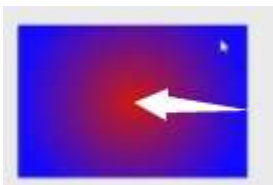

最远边

```
background:-webkit-radial-gradient(farthest-side circle,red,blue);
```

```
background:-moz-radial-gradient(farthest-side circle,red,blue);
```

```
background:-o-radial-gradient(farthest-side circle,red,blue);
```

```
background:radial-gradient(farthest-side circle,red,blue);
```

最近角

```
background:-webkit-radial-gradient(30% 70%, closest-corner circle,red,blue);
```

```
background:-moz-radial-gradient(30% 70%, closest-corner circle,red,blue);
```

```
background:-o-radial-gradient(30% 70%, closest-corner circle,red,blue);
```

```
background:radial-gradient(30% 70%, closest-corner circle,red,blue);
```

最远角

```
background:-webkit-radial-gradient(30% 70%, farthest-corner circle,red,blue);
```

```
background:-moz-radial-gradient(30% 70%, farthest-corner circle,red,blue);
```

```
background:-o-radial-gradient(30% 70%, farthest-corner circle,red,blue);
```

```
background:radial-gradient(30% 70%, farthest-corner circle,red,blue);
```

重复渐变

```
background:-webkit-repeating-radial-gradient(circle,red 0%,blue10%);
```

```
background:-moz-repeating- radial-gradient(circle,red 0%,blue10% );
```

```
background:-o-repeating- radial-gradient(circle,red 0%,blue10% );
```

```
background:repeating- radial-gradient(circle, red 0%,blue10% );
```
